

Alex Ignatyuk

10/29/2018

Dimension reduction (7D to 2D)

Scenario:

Size of population – 30

Size of chromosome – 60;

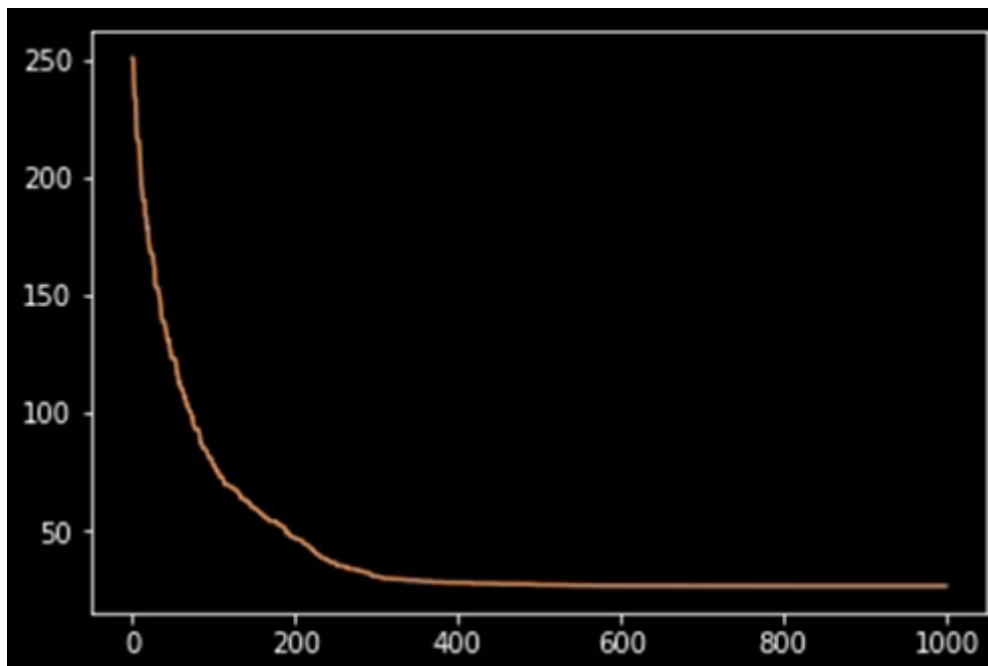

Mutation percent – 0,01

Uniform crossover;

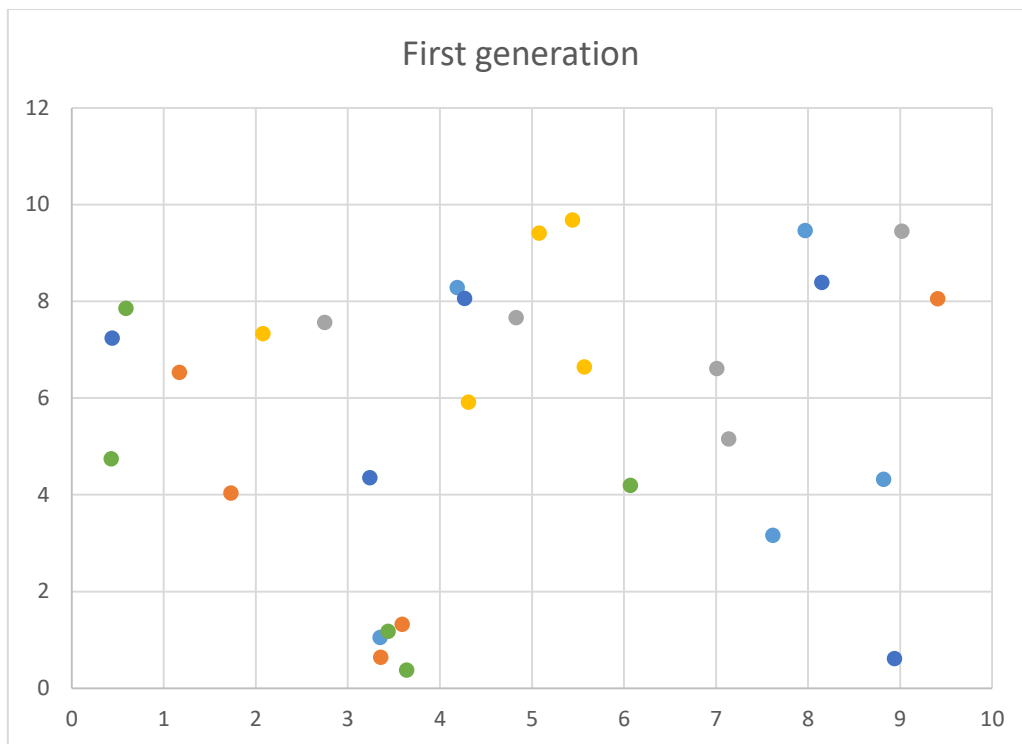

Truncate selection mode;

1	LightBlue
2	Orange
3	Gray
4	Yellow
5	Blue
6	Green

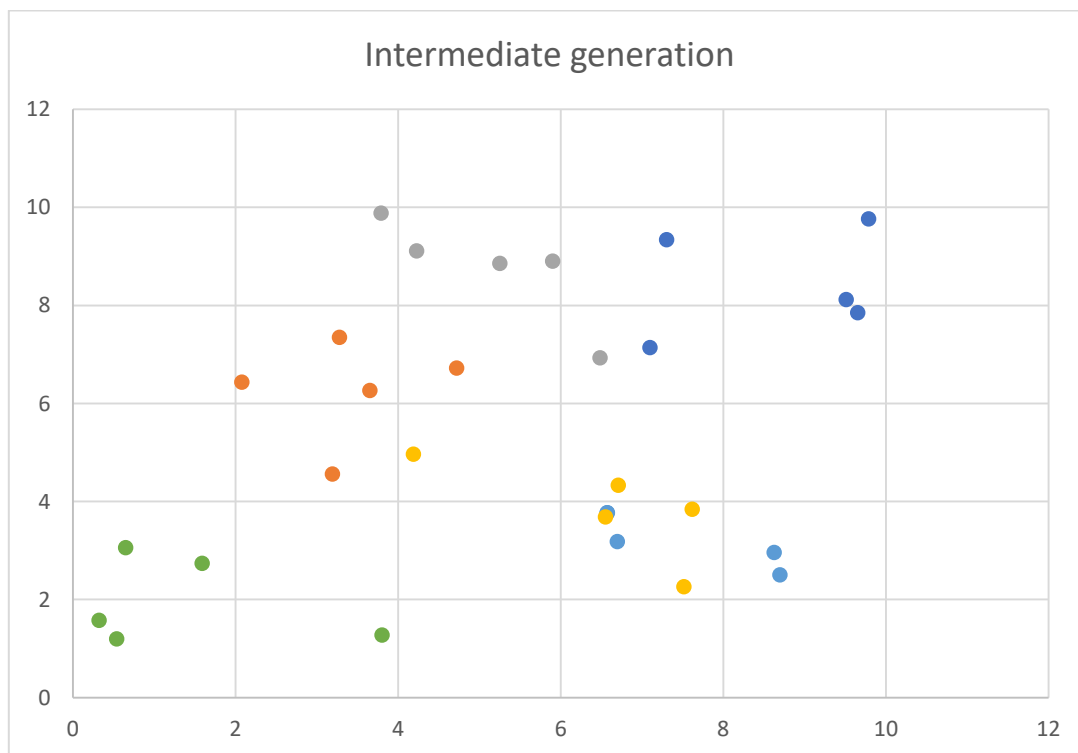

Fitness:

The best chromosome in first generation:

The best chromosome in intermediate generation (345):

The best chromosome in last generation:
