

# Belarus Robotics Week

Brest State Technical University, Belarus  
4-9 November 2013

## Events:

### 4-6 November

Robotics and Artificial Intelligence.  
Problems and perspective.

**RAIPAP** 13

### 7-8 November

Visegrad Robotics Workshop.

### 9 November

RoboRace

## TIMELINE

| Mon<br>11/4 | Tue<br>11/5                                                                                                                                                                                                                                                                                        | Wed<br>11/6                                                                                                                                                                                                       | Thu<br>11/7                                                                                                                                        | Fri<br>11/8                                                                                                                       | Sat<br>11/9                                 |
