The Baldwin Effect: A Bibliography

Last updated: Jan. 2007

Latest news

- Twe papers were added (Apr. 2007).
- One paper was added (Jan. 2007).
- One paper was added (Nov. 2006).
- Three papers were added (Aug. 2006).

- The papers below are concerned with theoretical and empirical (computational) investigations of the Baldwin effect.
- Any comments, corrections, or additions are welcome.
- Here is the table of contents for the special issue of Evolutionary Computation on the Baldwin Effect.
- Here is a very brief introduction to the Baldwin effect.
- Here is how to handle PostScript (.ps) and compressed files (.gz, .Z).

This page was created by Peter Turney (.Oct. 1996-), maintained by Joanna Bryson (Dec. 2001-) and currently maintained by Reiji Suzuki (0ct. 2003-).
